INVESTMENT POLICY STATEMENT
Hampton Falls Free Library

PURPOSE OF INVESTMENT POLICY

The purpose of this Investment Policy is to provide a clear statement of the investment objectives for funds held by the Hampton Falls Free Library exclusive of town appropriations. This policy will also define the responsibilities of the Board of Trustees (Further to be referred to as “Trustees”) and any other parties involved in managing the Hampton Falls Free Library’s investments, and to identify or provide target asset allocations, permissible investments, and diversification requirements.

INVESTMENT OBJECTIVE

The overall investment objective of the Hampton Falls Free Library (Further to be referred to as “Library”) is to maximize the return on invested assets while minimizing risk and minimizing expenses. This objective will be brought about by prudent investing and planning, as well as through the maintenance of a diversified portfolio.

GENERAL PROVISIONS

• All transactions shall be for the sole benefit of the Library.

• The Trustees shall consider updating the Library’s investment policy on an annual basis.

• The Trustees shall conduct an annual review of the Library’s investment assets to verify the existence and marketability of the underlying assets or satisfy themselves that such a review has been conducted in connection with an independent audit (if any) of the Library’s financial statements.

• Any investment that is not expressly permitted under this Policy must be formally reviewed and approved by the Trustees.

• The Trustees will endeavor to operate the Library’s investment program in compliance with all applicable state, federal and local laws and regulations concerning management of investment assets.

• Investments shall be diversified with a view to minimizing risk.
DELEGATION OF RESPONSIBILITY; RELIANCE ON EXPERTS AND ADVISORS

- The Trustees may hire outside experts as investment consultants or investment managers.

- The Trustees may also establish an investment advisory committee (which may include non-trustees) to provide investment advice to the Trustees. The investment advisory committee has no authority to act for the Trustees, but may monitor compliance with the investment policy, recommend changes, and assist the Trustees in selecting and retaining Investment Managers to execute this Investment Policy.

RESPONSIBILITIES OF THE TRUSTEES, OR IF AUTHORITY IS DELEGATED, THE INVESTMENT ADVISORY COMMITTEE

- The Trustees, or if authority is delegated, the Investment Advisory Committee, is charged with the responsibility of managing the investment assets of the Library. The specific responsibilities of the Trustees or the Investment Advisory Committee, as applicable, include:

  1. Communicating the Library’s financial needs to the Investment Managers on a timely basis.

  2. Determining the Library’s risk tolerance and investment horizon and communicating these to the appropriate parties.

  3. Establishing reasonable and consistent investment objectives, policy guidelines and allocations which will direct the investment of the assets, to be reviewed by the Trustees on an annual basis.

  4. Prudently and diligently selecting one or more qualified investment professionals, including investment managers(s), investment consultant(s), and custodian(s).

  5. Regularly evaluating the performance of investment manager(s) to assure adherence to policy guidelines and to monitor investment objective progress.

  6. Developing and enacting proper control procedures; e.g., replacing investment manager(s) due to a fundamental change in the investment management process, or for failure to comply with established guidelines.
RESPONSIBILITIES OF INVESTMENT MANAGERS

(This section does not apply to any Investment Manager/Advisor that is not compensated and thereby not a Fiduciary and has no voting rights within the committee.)

• Each investment manager will invest assets placed in his, her or its care in accordance with this investment policy.

• Each investment manager must acknowledge in writing acceptance of responsibility as a fiduciary.

• Each investment manager will have full discretion in making all investment decisions for the assets placed under his, her or its care and management, while operating within all policies, guidelines, constraints, and philosophies outlined in this Investment Policy. Specific responsibilities of investment manager(s) include:

1. Discretionary investment management, including decisions to buy, sell, or hold individual securities, and to alter allocation within the guidelines established in this statement.

2. Communicating any major changes in the economic outlook, investment strategy, or any other factors that affect implementation of investment process.

3. Reporting, on a timely basis, quarterly investment performance results with an annual fiscal year review.

4. Informing the Trustees, or if authority is delegated, the Investment Advisory Committee, regarding any changes in portfolio management personnel, ownership structure, investment philosophy, etc.

5. Voting proxies, if requested by the Trustees, or if authority is delegated, the Investment Advisory Committee, on behalf of the Library.

6. Administering the Library’s investments at reasonable cost, balanced with avoiding a compromise of quality. These costs include, but are not limited to, management and custodial fees, consulting fees, transaction costs and other administrative costs chargeable to the Library.
GENERAL INVESTMENT GUIDELINES

- A copy of this Investment Policy shall be provided to all Investment Managers.

- The Library is a tax-exempt Library. This tax-exempt status should be taken into consideration when making Library investments.

- The Library is expected to operate in perpetuity; therefore, a 10 year investment horizon shall be employed. Interim fluctuations should be viewed with appropriate perspective.

- A cash account shall be maintained with a zero to very low risk tolerance to keep cash available for general distributions and other anticipated expenses. This amount will be determined by the Trustees.

- Transactions shall be executed at reasonable cost, taking into consideration prevailing market conditions and services and research provided by the executing broker.

- Permitted investments include: Cash and cash equivalents, marketable securities including equities, fixed income securities, and mutual funds.

- No fixed income security shall have an equivalent credit quality below investment grade at the time of purchase.

- The following transactions are prohibited: Purchase of non-negotiable securities, derivatives, high risk or junk bonds, private placements, precious metals, commodities, short sales, any margin transactions, straddles, warrants, options, life insurance contracts, leverage or letter stock.
DIVERSIFICATION

- The Library will maintain a reasonable diversification of investment assets between asset classes and investment categories at all times.

- Investments in the equity securities of any one company shall not exceed [5%] of the portfolio nor shall the total securities position (debt and equity) in any one company exceed [10%] of the portfolio.

- Reasonable sector allocations and diversification shall be maintained. No more than [25%] of the entire portfolio may be invested in the securities of any one sector.

- Investments within the investment portfolio should be readily marketable.

- The investment portfolio should not be a blind pool; each investment must be available for review.

ASSET ALLOCATION

- The asset allocation policy shall be predicated on the following factors:

  1. Historical performance of capital markets adjusted for the perception of the future short and long-term capital market performance.

  2. The correlation of returns among the relevant asset classes.

  3. The perception of future economic conditions, including inflation and interest rate assumptions.

  4. Liquidity requirements for the projected grants and other charitable expenditures.

The relationship between the current and projected assets of the Library and projected liabilities.

Rebalancing shall be done on a semi-annual basis or more frequently if deemed necessary.
PERFORMANCE

• Performance objectives are to be met on a net of management fees basis if an investment manager is compensated.

• The investment performance of each asset allocation class will be measured on two levels: against inflation objectives and against index objectives for individual portfolio components.

Investment performance shall be measured no less than semi-annually on a net of fees basis if the investment manager is compensated. Performance shall be evaluated on a three to five year basis to allow for market fluctuations and volatility.
